

PHASE '75
St. Joseph's College
Rensselaer, Indiana

Reflections

of another year gone by . . .

of the beauty that is

Saint Joe's.

Coordinated and blessed

with the beauty of man . . .

of the people who are

Saint Joe's.

Slowly,

the sleeping beauty awakens.

No longer

need she dream

of our arrival.

At last . . .

we come.

To learn . . .

to love . . .

to live . . .

To be alive . . .

To be alone . . .

New people

mean

new friends . . .

And new smiles

to brighten the old.

The year will be good . . .

With silliness . . .

friendliness . . .

peacefulness . . .

All kinds of people

Portraying all kinds of lives . . .

And,

the drama of

1974-75

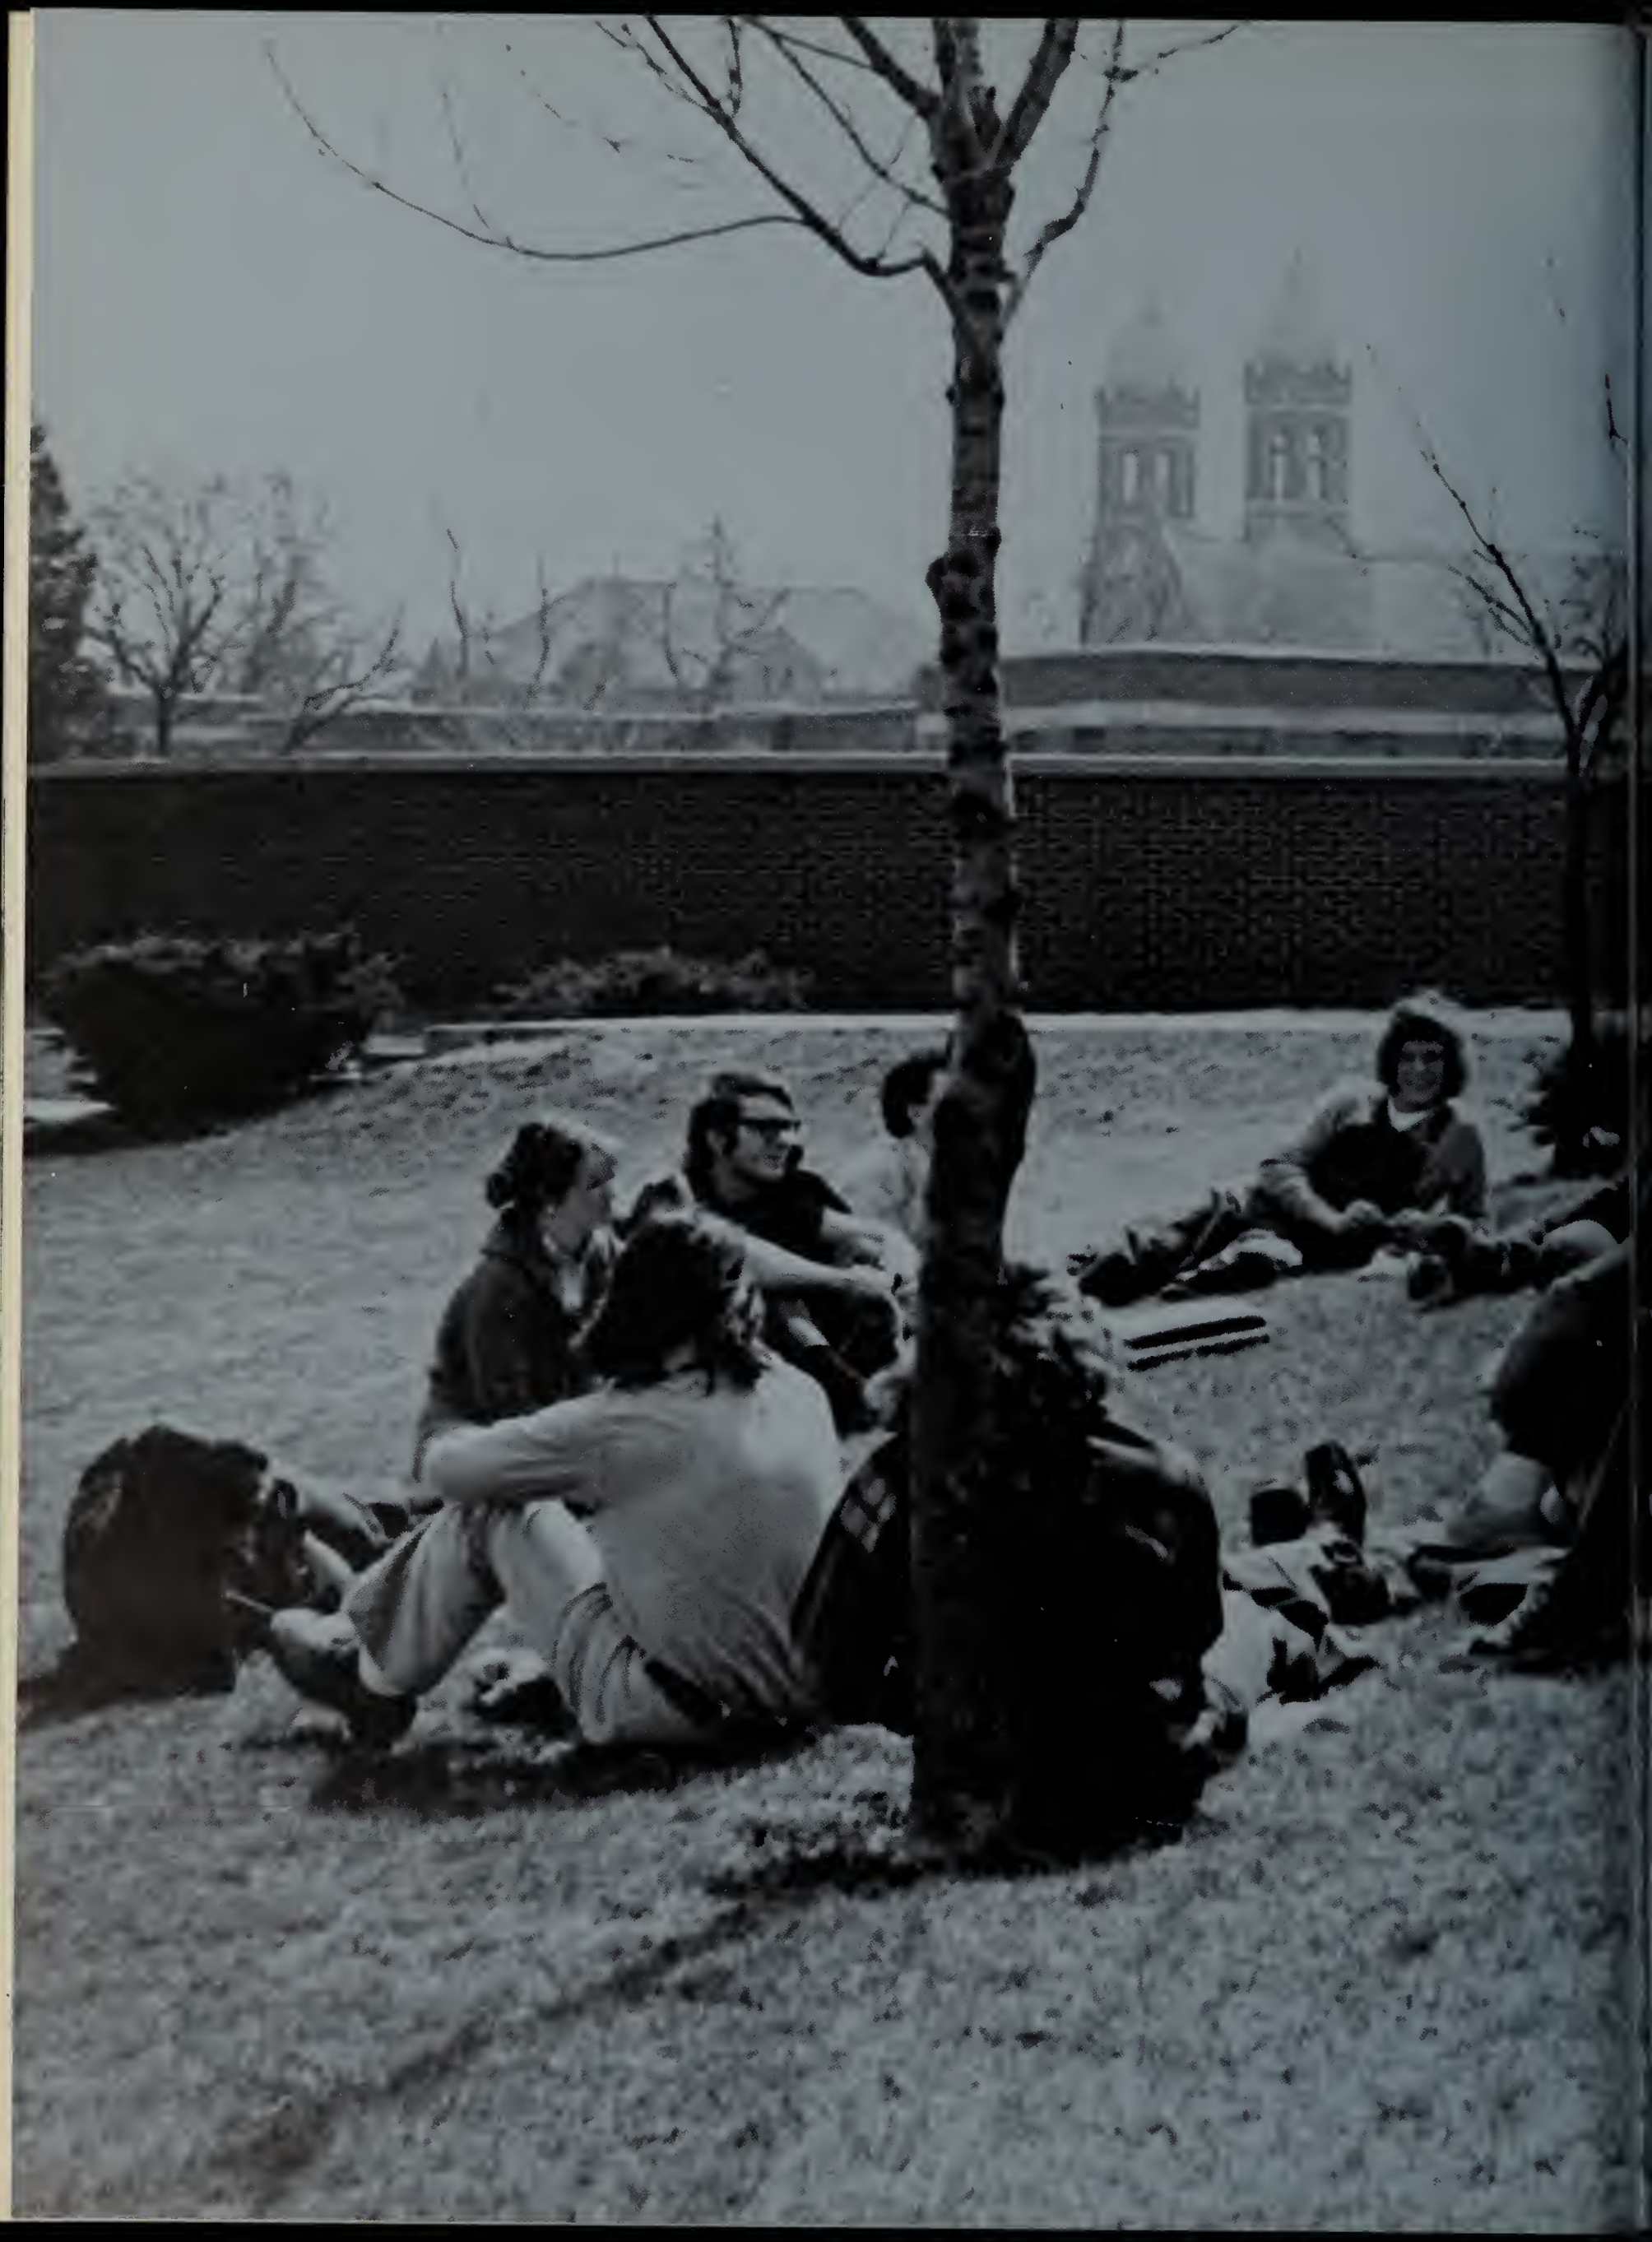

BEGINS.

'74-'75 TIMELINE

Orientation

The official welcome . . .

the first goodbye

to your world . . .

A new beginning

in a different world . . .

Everyone suddenly turns,

alone and unsure,

to hundreds of others feeling

the same loneliness and insecurity . . .

We make friends . . .

knowing the meaning of welcome.

Packing . . .

not just clothes and things . . .

a part

of us . . .

and the mingling of our own lives

in times of need . . .

and memories of student life . . .

at times, so frustrating . . .

made bearable by a balance

. . . light memories of smiles

remembered for potential

. . . all the great memories . . .

. . . all the great people . . .

Those of us

who love Saint Joe's

look to PHASE '75

as a binding

of memories we

shall always have . . .

Memories preserved

outside ourselves . . .

A treasure never lost

and easily shared.

In thanksgiving, then, we add our last bits of lustre to this treasure.

Special thanks to:
